

TRANSCRIPT OF RECORDS

JULIAN ARTUR SCHULZ

born on the 3rd January 1999 in Bad Driburg, Germany,
passed the **Master's examination in Matter to Life**
of the **Faculty of Physics**
on the 30th September 2024 pursuant to the examination regulations of the 28th July 2021.
He achieved the following grades:

Module/Subject	Credits	Grade
INTRODUCTORY COURSES		
Bioengineering/Synthetic Biology	5	2.0
Introduction to Biophysics	6	2.7
Methods and Topics from Matter to Life	10	1.0
Modern Experimental Methods	6	1.0
Quantitative Analysis of the Chemistry of Life	6	1.3
ADVANCED COURSES		
Advanced Statistical Physics	6	1.0
Biomolecular Physics and Simulations	4	1.0
Research seminar Matter to Life	4	1.3
Theoretical Biophysics	6	1.0
Theoretical and Computational Biophysics	4	1.0
LABORATORY ROTATIONS		
Lab Rotation I	13	3.0
Lab Rotation II	13	3.0
KEY COMPETENCIES		
Ethics in Synthetic Biology	3	2.0
Professional Skills in Science	3	passed
Results of the Research Projects	3	passed
VOLUNTARY ADDITIONAL MODULES		
Introduction to Physics of Complex Systems	6	1.7
MASTER'S THESIS	30	1.0
"Measuring Mean Back Relaxation via Darkfield Microscopy"		

OVERALL GRADE MASTER'S EXAMINATION: GOOD (1.6)

Göttingen, 6th January 2025

M. Wenderoth

Prof. Dr. Martin Wenderoth
President of the examination board

CERTIFICATE

THE GEORG-AUGUST-UNIVERSITÄT GÖTTINGEN
FACULTY OF PHYSICS

hereby certifies that

JULIAN ARTUR SCHULZ

born on the 3rd January 1999 in Bad Driburg, Germany

is awarded the degree of

MASTER OF SCIENCE (M.Sc.)

in

MATTER TO LIFE

upon successful completion of the requirements of that degree
on the 30th September 2024

pursuant to the examination regulations of the 28th July 2021.

Göttingen, 6th January 2025
